

BROOKFIELD CUSTOM HOMES

About

Sendera Lakes is the premier community in Southwest Moore and is located in the Moore School District. Located at the Southeast corner of SW 34 (SW164 in OKC) and Santa Fe, this community offers large lots with beautiful lake lots available. A swimming pool with a community center is located in the center of the neighborhood. There is a Homeowners Association to perpetually ensure that the covenants and restrictions are enforced. Your home will be located just a 5-minute drive from all the wonderful shopping and food experiences that Moore offers. Brookfield Custom Homes has been around for more than two decades with over 50 years of combined experience, so please give us a call, and we can build your dream home in this wonderful community!
